Dear Sister

THIS SPACE FOR CORRESPONDENCE.  
they have some prints at 25 cent  
are secondets. I do not know if they  
would suit you or not. I did think  
of better let you see them for me. - As  
they might be better. They have  
some that was. If that they were  
selling at 35. That was fine but  
I did not know if you wanted  
to pay that much. If you do  
I do know + if they are selling  
that way will get them for  
you. The pictures are fine and  
you get well as I  
can't tell when they're going to close  
but as I am short of cash
